**E**mrah Solicitors is a business-oriented law firm with focus on general corporate and commercial practice. We are active commercial attorneys of distinction in Nigeria that deliver high quality service and assist clients in all areas of corporate and commercial law.

We help our clients solve complex legal issues in different sectors of the economy involving commercial, corporate, civil and business deals. As a uniquely efficient commercial law firm in Nigeria, we are dedicated and highly skilled professionals responsible for developing and driving the vision of the law firm for excellence and client satisfaction through prompt and valuable solutions to client briefs while offering

the best legal advice.

We provide a variety of corporate legal services in all aspects of business and commercial law services designed to the demands of individuals, companies and business owners. We provide strategic business law counsel to governmental agencies, individuals, corporate, foreign & international clients.

We pride ourselves in providing solicitors services across different levels of businesses covering small business start-ups, established commercial enterprise, international business or trade. Our standard general civil, commercial, investment and corporate law services also include company formation for local and foreign investors, corporate governance, business & corporate finance, tax law, drafting commercial contracts, import & export and maintaining ideal culture of service in all jurisdictions as the engaging top lawyers in Nigeria.

We advise governments, departments, agencies and ministries on a wide range of matters that includes public-private partnerships and commercialization; projects & policies; general corporate law and compliance.

We are chartered company secretaries and administrators to corporations and board of companies and work strategically to guide companies through the process of corporate governance and its practice for business sustainability and growth.

# ABOUT US

We prepare agendas and papers for board meetings, committees and annual general meetings (AGMs) and follow up on action points. Take minutes, draft resolutions, and lodge required forms and annual returns with regulatory agencies. We ensure policies are kept up to date and approved by the board committees; maintain statutory books, including registers of members, directors and secretaries; deal with correspondence, collate information and write reports and communicate decisions to relevant company stakeholders.

## We are Powered By Knowledge

Our work is founded on a rigorous understanding of every client's institutional context, sector dynamics, and macroeconomic environment. For this reason, we invest firm's resources annually in knowledge development, learning and capability building. We study markets, trends, and emerging best practices, in every industry and region, locally and globally. Our investment in knowledge also helps advance the practice of the firm.
