About Us

EMRAH CONSULTING LIMITED is incorporated primarily to function as a global player in provision of Management, Finance, ICT, and Human Capital Development Consulting Services, with the mantra; “never tire to study and to teach others...”

Emrah is an integrated and wholesome consulting firm; focused on human capital development, management consultancy, business advisory services and business formation; leveraging on collaboration for broad and rich faculty members across all fields and jurisdictions; adopting contemporary styles to deliver bespoke trainings, workshops and seminars in the most cost-effective way. Emrah Consulting inspires to study and to teach others. We are a community of experienced professionals with the right skill-sets to deliver value to clients.

We help organizations across private, public, and social sectors create change that matters. From the C-suite to the front line, we partner with our clients to transform organizations in the ways that matter most to them. This requires embedding digital, analytics, and design into core processes and mind-sets, and building capabilities that help organizations and people to thrive in an ever-changing context.

Our Code of Professional Conduct

We are a values-driven organization and aspire to meet the highest professional, legal, and ethical standards. We are committed to making a positive social impact through our work with our clients. With exceptional people, we combine global expertise and local insight to help you turn your ambitious goals into reality.

We are Always Innovating

Our clients' needs are constantly changing, so we continually seek new and better ways to serve them. To do this, we bring new talents into the firm, acquiring new ideas, and developing new capabilities especially in psychometrics, analytics, and digital transformation. We serve clients at every level of their organization, whether as a trusted advisor to top management or as a hands-on coach for front line employees. We partner with clients to put recommendations into practice and work directly with them over long-term to help develop workforce skills, drive operational improvement, and apply new working methods.

No matter the challenge, we focus on delivering practical and enduring results, and equipping our clients to grow and lead.

We are Powered By Knowledge

Our work is founded on a rigorous understanding of every client's institutional context, sector dynamics, and macroeconomic environment. For this reason, we invest firm's resources annually in knowledge development, learning and capability building. We study markets, trends, and emerging best practices, in every industry and region, locally and globally. Our investment in knowledge also helps advance the practice of management.

We Are Defined by Our People

Emrah Consulting is designed to operate as one-a single global partnership united by a strong set of values, including a deep commitment to diversity.

We take a consistent approach to recruiting and skills development regardless of where our people are located, so that we can quickly deliver the right team, with the right experience and expertise, to every client, anywhere in the world.
